

FIG. 1 (a)

FIG. 1 (b)

This diagram shows a cross-section of a rectangular assembly. It features a central core with four horizontal layers, each labeled '6'. These layers are separated by three horizontal dividers, each labeled '11'. The entire assembly is enclosed within a thick, hatched outer frame. On the left side, there are four protruding elements, each labeled '14', which are part of a larger structure labeled '1'. The top and bottom edges of the frame are labeled '22' and '21' respectively. The right side of the frame is also labeled '14'.
